

DAMIAN ROMERO

COMMUNITY SPECIALIST

ABOUT ME

Damian is a community manager with a strong background in fostering vibrant online communities. His training in linguistics and computational linguistics provides him with unique insights into creative writing and advanced AI usage for multilingual content creation. With 12 years of experience in academic and professional settings in the U.S. and Germany, he has near-native English proficiency and strong cross-cultural communication skills. His data-driven approach to community management leverages analytics to boost engagement strategies. A self-starter and fast learner, Damian brings boundless passion to every project.

WORK EXPERIENCE

Machine Learning Intern

Explosion AI, GmbH, Germany (Remote) | 05/2021 – 05/2023

- Fostered social media engagement and brand visibility on X and LinkedIn.
- Led cross-cultural communication in English and Spanish for machine learning projects, bridging gaps between engineers and customers.
